Business Psychology Associates (BPA) is offering a two (2) day training on *Substance Abuse Treatment for Persons with Co-Occurring Disorders*. This training is based on the Substance Abuse Mental Health Services Administration's (SAMHSA) Treatment Improvement Protocol (TIP) 42. BPA will accept registrations only for individuals currently working for agencies contracted in the SUD Funded Provider Network. Agencies in the application process may request consideration for attendance contingent on space available.

Overview of Training:

Day One

- Introduction to Co-Occurring Disorders
- Review of Common Mental Health Disorders seen in SUD Treatment
- Traditional Settings and Models: Successful Programming

Day Two

- Screening and Assessment
- Treatment Planning Strategies for Individuals with Co-Occurring Disorders
- Discharge Planning Strategies for Individuals with Co-Occurring Disorders

Providers who are interested in attending the training must submit the attached registration form by November 19, 2010. **Please Note:** Registration is limited to 30 participants. Due to limited capacity, agencies with multiple registrants may be limited in their number of approved attendees.

Completed registration forms should be completed for each individual requesting to attend the training and need to be faxed to, 208-344-7430 or emailed to: molly.zuniga@bpahealth.com.
